"I LOVE MANDI HART"

Dear *Voluptuous*,

I am a construction worker and I loved the pictorial of Mandi Hart in April '04. Voluptuous women like her are the reason I have been buying your magazines for years. She represents what a tit and ass man lives for. She is just right. Give me more! Thanks.-B.C., South Carolina

THE ULTIMATE V-GIRL

Dear *Voluptuous*,

WOW! What an issue. Best ever issue so far. I haven't even finished

reading it yet, and I am very impressed. I always look forward to the May issue because the May '02 issue was the first issue I have ever bought. Also, the May issue of each year is the awards issue.

Well done to Kerry Marie for being the winner of Model Of The Year. I had her down for my winner. It shows that hard work pays off because she put in a lot last year-i.e. her videos and her pictorials. She is my "Ultimate V-Girl."

From the first time I saw Kerry Marie in *V-Mag*, I knew she was going to be a big hit. It's a shame that you don't release your DVDs and videos in the United Kingdom because I've been dying to get my hands on a copy of her new release, *Busty Kerry Marie*. Due to situations I can't control, I don't want it posted to my address or pay on a credit card. Is there another way to see this video?

I have got to say it's going to be a big year for Nadine Jansen. She has a great future in front of her (mind the pun). I'm not complaining about her being in back to back issues. The more

If you loved Mandi Hart from the April '04 *V-Mag*, you're gonna love this! XXX-Rated hardcore with your favorite construction worker, in this month's *Voluptuous Xtra*!

Nadine the better. Although I think that she should take it all off. She has nothing to be afraid of. I'm sure read-

WHO WILL BE CROWNED THE BEST OF 2004?

Send us your nominations and get lubed and ready for the Holiday '04 *V-Mag* where we celebrate the very best *Voluptuous* babes of 2004. Only three issues away and counting!

Wink if you love Angelica Raven. Yeah, that's what we thought. There's a lot of you who want more of the busty beautiful one, and we're gonna deliver plenty more of Angelica Raven, from stem to stern, in future issues.

ers would like to see her fully naked.

I'm already looking forward to learning who is going to be nominated for 2004 model of the year because it's going to be hard to pick a winner. Hopefully Nicole Peters will be nominated as well as Nadine and Kerry. It's

definitely going to be a tug of war between these three ladies.

Keep up the good work. Your magazine is the best. *SCORE* and *Voluptuous* rule.—D.H., England

Dear D.H.: Thank you for your letter. Regarding your question about ordering Busty Kerry Marie, without a mailing address, we can suggest a "secret" post

Voluptuous Model Search \$20,000 GRAND PRIZE

WHAT'S THE DEAL?

The *SCORE* Group is searching for the next Linsey, Sharda, Nicole Peters, Ines Cudna, Via Paxton...the next big-bust superstar. And we're willing to pay big bucks to find her!

So, send in nude photos of your candidates. Polaroids, snap shots and jpegs are all okay. There's no better time to convince that super busty girl you have been admiring that she belongs in *Voluptuous* because on Dec. 1, 2004, we're going to choose the best busty new discovery and give her a lucrative \$20,000 modeling contract.

THE RULES ARE SIMPLE:

Our editorial staff makes all decisions and those decisions are completely subjective and final. This contest is open to any girl who has not appeared in a magazine. If you've been in *Voluptuous* or any other men's magazine, either as an amateur, model or even in phone sex ads, you are ineligible. The winner agrees to take an all-expenses paid, working vacation in sunny, beautiful, exotic Miami, Florida, where she will be photographed for five days in our state-of-the-art studio. The winner also agrees to sign The *SCORE* Group's standard model release and have her photos published in the magazine and on our website. This competition is open to all residents of Planet Earth, void where prohibited, 18 years old and older only, more legalese is in the official contest rules, which will be provided to all contestants upon request.

The other requirement? Big, beautiful tits! So send in your photos, and you could well find yourself \$20,000 richer! The addresses are: *Voluptuous Model Search*, 1629 N.W. 84 Avenue, Miami, Florida 33126 or score@scoregroup.com.

office box, which many readers utilize to keep prying eyes and jealous significant others away from the good stuff. Another option is hitting the Internet and logging onto www.scorevideos.com. There, you can download an order form, mail it to us and we will provide you with a password to watch the video from your computer. No credit card or mailing address needed.

ANGELICA'S AWESOME ASS!

Dear *Voluptuous*,

I wanted to write to tell you that when I got my April '04 issue in the mail, I came all over my pants.

As I was thumbing through this issue of the absolute best men's magazine out there, I got to the layout of Angelica Raven. It is a given that she is incredibly hot and sexy with a beautiful face and a body that I'm sure stops traffic. But, when I turned to page 33 and got the wonderful view of her succulent ass spread wide open, my dick took immediate notice. While I had gotten stiff looking through the issue to that point, I immediately got very rigid as soon as I saw that photo. That picture just made me want to bury my face right in there. Given the opportunity, I would give the lovely Angelica a tongue lashing from stem to stern that she would not soon forget.

Angelica, if you are ever in the Jacksonville [Florida] area and need anything at all, you name it. I am at your service.—"Tom," Florida

BRING ON THE BEEF!

Dear *Voluptuous*,

Just got the May '04 *Voluptuous*, and I couldn't wait to see who our Plumper of the Year for 2003 winner was. Samantha, weighing in at 158 lbs. was a plump surprise. I had expected Kerry Marie to win or Sweetie Devin who came in second.

Any of those gals can marry me. I wouldn't have any trouble saying "I do." Great job with the Plumper of the Year contest.—T.S., Pennsylvania

LAY OFF THE FAKE DICKS

Dear *Voluptuous*,

I have been a reader for the past six years. Here in Australia, I have just picked up the Feb '04 issue, and again I am very impressed, though there is one thing that doesn't really interest

me and that is the *Voluptuous Xtra* pages. I prefer for the models to be portraying themselves. Not someone else, as they appear to be doing in the *Voluptuous Xtra* section. The sex does not appear realistic. It is real, I can see that. But I prefer to fantasize that I am the one having sex with them and for some reason, I don't get that feeling from the *Voluptuous Xtra* pictures.

Some of my favorites are Katt Messina, Audra Mitchell, Jezhabelle and your great newcomer, Casey Cleavage. But, where has Katt Messina gone? Would it be possible to see some more shots of this beauty in future editions?

Being from Australia, I must say that your Sydney girl, Angela White, doesn't do it for me. I think that it is all the dildos that bother me. She doesn't need to have dildos in every photo shoot that she does. I believe it spoils her and maybe if there were

fewer dildos she would be more appealing. At least in my opinion.

I have also noticed that in the Feb. '04 edition there are a couple of girls, Emilia and Linsey Ward, who both have a picture with clothes on, which is one of the reasons I continue to read *Voluptuous*. These kinds of picture highlight their curvy bodies.

I hope that you will take this criticism constructively, rather than negatively. Thanks for listening and keep up the great work.—A.B., Australia

Dear A.B.: Katt Messina hasn't gone anywhere. She's still working and studying in Michigan. As for more posing, she was always on the bubble as far as boob power and voluptuousness, so we'll leave Katt's return up to our readers. As far as readers' comments, we take each reader's comments constructively to help craft a magazine that will satisfy the diverse interests and desires of all readers. Thank you for yours.

CUT THE GIRLS SOME SLACK

Dear *Voluptuous*,

Now that I have beheld the glory that is the 2003 Awards Issue (May '04), I'm sure that V-men around the world have to be exceptionally pleased with the triumvirate we voted for. Without question, our voting resulted in the most appropriate winning ticket that could be chosen. We should all pat ourselves on the back for a job well done.

While my hard attack over the 2003 Awards Issue has subsided a bit, I need to address two far more serious matters that arose from its pages. As a long-time reader and fan of *Voluptuous* magazine who happens to be black, I have to stand up in defense of *V-Mag*.

Over the years I have been very pleased with both the quantity and quality of the women of color presented in the pages of *V-Mag*. And, quite frankly, if I weren't pleased on this matter I would not continue to give *Voluptuous* my hard-earned dollars.

While S.M. of South America is evidently a white male expressing his preference for women of color, let me make it very clear the views expressed in this letter are coming from a black male who never has nor ever intends to date or have sex with women of the majority race.

If S.M. were black, he would know and understand that, as a whole, black people are extremely socially conservative. Therefore, outside the realm of prostitution, there are a very limited number of females of color who are willing to appear in the pages of *Voluptuous* or any other men's magazine. And since I hope all V-men would agree that prostitutes should not be tolerated in *V-Mag*, we have to be overjoyed that we are treated to models such as Deja (my personal favorite), Chaka T., Emage, Kim Hines, Chaz, Cassitty (S.M.'s favorite?), Faith, Amanda White, Sammie, Jenny, etc.

To be quite honest, I will complain very quickly and loudly if the number of women of color *increases* in *V-Mag* and they are not of the same high quality as the other *V-Mag* models. So, while I'm always glad to see women of color, this is neither an affirmative action issue nor a matter where reparations are needed.

As the *V-Mag* editor so eloquently stated, "...our only concern is big titties. If a model has them and is attractive with a good body" let's see her pictures. Otherwise, I ain't interested, no matter the color.

The other rather significant issue that was prompted from the Awards Issue is a matter of respect for the character and personal preferences of the models presented in *V-Mag*. I was distressed to see the sentiment expressed in the *V-Mail* that some models were being bypassed in the voting, not because they failed any standard of voluptuosity, but because they had failed to allow us to see them inserting inanimate or animate objects into their bodies. To me this shows a lack of respect for the models as human beings who have to exist in our society just as we do.

Certainly every V-man should know that in spite of our enjoyment of these women's chosen profession, the vast majority of our society's population looks down upon their posing. We should be grateful for the indulgence allowed us by any female who willingly appears in the pages of *Voluptuous* for our enjoyment.

Take it from someone who knows a little about not receiving full acceptance from society, even though these

LUMA

First Look: Brazil's Next Great Natural

Feast your eyes on this girl! Brand spankin' new from Brazil, here cums 44 inches of E-cups with a body that's as curvy as, well, it's damn curvy. Yes, we're metaphorically challenged right now. Hot, busty newcummers do that to us. They also get us rock hard, so, without further bullshit...lock-n-load, boys, and start your stroking! Here cums...Luma!

Discovered by C.Z., a long-time Brazilian reader of both *V-Mag* and *SCORE*, Luma is...and you might want to change your summer vacation plans...a tour guide hostess in Rio De Janeiro. Show of hands, how many of you guys have been to Rio and taken one of those tours? Sugar Loaf, Corcovado Mountain, Casa de Samba or the "home of the thong," Copacabana Beach? We're not telling where Luma does her show-and-tell, but if you're planning a trip to Brazil, bring your dancing shoes, leave the ball-and-chain at home and, yes, act like a tourist. With any luck, Luma may be showing you the sights.

So, how many times have you cum? One, two, three? Now, get ready to geyser once again, because we want all of you to imagine Luma doing the Samba in a thong on the beach. Shaking her love-handling hips, with that curvy body jiggling erotically from breast to ass, teasing you with flirtatious sweet somethings in two languages (Portuguese and Spanish), and soon to be three (Luma's working on her English) and glistening with sensuous oil while soft sand caresses her little piggies...It's her "normal" weekend-at-the-beach thing. *Normal*? Gets you to thinking what a "great" weekend is like. Yeah, we're checking airfares right now, too!

Long pictorial, eh? Luma is a good one and she posed so well her first time, we couldn't resist giving ya'll nine pages to introduce her. What did Luma think about her first time in front of the camera? "I was nervous...at first. But, then you lose yourself in the camera. You play games. Like it is a man who is staring at you and you are trying to seduce him without any words. You let your eyes seduce him. You let your breasts seduce him. You let your entire body seduce him. It's a lot like dancing, to tell you the truth." Man, the girl must be one helluva dancer, that's all we've gotta say. Thanks, Luma, and welcome to the wonderful world of *Voluptuous*.

"I love sunbathing topless, but my breasts are too big. Too many people gawk. I have to wear a top. I still get lots of attention. You can see why, can't you?"

BEATE

Say *danke*, boys. Feb. '04's Beate is back!

Whom do we thank for Beate's return? Well, her, of course. But also her new boyfriend, a *Voluptuous*-reading, restaurant-hopping guy who saw our favorite waitress in the Feb. '04 *V-Mag*, took three weeks off from his job in Berlin and travelled the 125 miles to Dresden in the hope of meeting his dream-girl. A 35-year-old, divorced engineer, B.S., had a month of vacation stored up, so, in his words, "why go to a museum to look at old classics when I can see a young one in the flesh?" Can't argue with that logic. B.S. basically hit every restaurant in Dresden, and in his second week, he got lucky and was ordering dinner from his dream-girl. He wine-d and dine-d, she served, and, after four straight nights of eating and flirting with Beate, the magic happened and the fairy tale began.

Now, we're not recommending you guys give up your lives in search of *Voluptuous* pleasures. Living vicariously is a good thing, especially with rubenesque beauties like this 22-year-old waitress/student, who was actually flattered that one of our readers would make such a commitment. "It is the most romantic thing anybody has ever done for me," says Beate (pronounced "Bet-uh"). "How could I turn him down?" Big tits and a heart of gold—this has got to have a happy ending.

Ironically, Beate wasn't going to pose again after her Feb. '04 debut. "I thought I would do it once, then finish my studies, get married and have children. But, he (B.S.) told me, 'You have to pose again. If you don't, every V-man will want to kill me.' We couldn't have that happening, now could we?" Where will this *Voluptuous* fairy tale end? Hopefully with more posing, a ring and, perhaps, a few more Beate's down the line for generation next. That way, we can all live happily ever after.

Voluptuous Interview
Cassitty

A new pictorial and a hot interview
with the ultimate self-sucking
star of **Black & Stacked Xtra #3**

INTERVIEW BY
ELLIOT JAMES & DAVE ROSEN

V-MAG: Well guys, we have a special guest at V-Mag Central today. She is one of the few women (and the *only* one we know of), who can suck both her huge titties in her mouth, hands-free,

while riding eight inches of zipper-pipe. She has been featured in the Aug. '03 SCORE and the April '03, Nov. '03, Holiday '03 and the May '04 issues of V-Mag. Plus, she's in video, too, including *Black and Stacked #2* and *Voluptuous Xtra #7* and the new hardcore video

Black & Stacked Xtra #3. Say hi to Cassitty. How are you today?

CASSITTY: Hi. I'm great! I just finished having sex with Africa and a guy, so I'm feeling groovy!

V-MAG: And how was that soiree?

CASSITTY: Awesome. Truly awesome.

You should watch it with me.

V-MAG: An invitation. We feel honored.

CASSITTY: I'll watch it with you. I love watching myself have sex. It'll be cool.

V-MAG: Actually, it'll be pretty damned hot, so let's get finished with this so we can get to the good stuff, okay? By the way, how's that lollipop?

CASSITTY: Oh, it's great.

V-MAG: You've been sitting there sucking on it for a few minutes.

CASSITTY: It tastes so good.

V-MAG: You know what guys are thinking when they see you eating a hot dog or sucking on a lollipop, right?

CASSITTY: No, what are they thinking?

V-MAG: They think that you're sucking on a lollipop or eating a hot dog. No, they're thinking that you're giving the lollipop a blowjob.

CASSITTY: Well, you know what girls think when they suck on a lollipop? We think that we're giving a good blowjob, and we don't care who is watching! In fact, we *hope* people are watching.

V-MAG: It's kind of a big one, too.

CASSITTY: Yeah, I like 'em big. But I like all cocks. Big, small, it doesn't really matter to me.

V-MAG: As long as you're getting some cock, all is right with the world, eh?

CASSITTY: You got it.

V-MAG: You know, Cassitty, your nipples are showing.

CASSITTY: Are they? Oh, they are. Aren't you the lucky one?

V-MAG: Do you always dress like that? You know, really skimpy?

CASSITTY: I actually wear even skimpier things to really show off by tits when I'm out in public.

V-MAG: Get the fuck out of here? You're wearing like a bikini top with your tits just exploding everywhere!

CASSITTY: I know, but this is conservative for me. I wear things like this to the grocery store. What's wrong with wearing a bikini top and short shorts or a real tight, low-cut dress that hugs every curve to the grocery store? Especially by the frozen food section! That's a girl-trick that a lot of you guys may not know. When girls are by the cold sections in grocery stores and our nipples are hard and sticking way out there, we know they are and we know you're looking! That's why we don't try to hide them. The harder the better. The more you look, the more we like it.

V-MAG: So all of you chicks are just a

bunch of prick-teasers?

CASSITTY: Yeah. It's a girl thing.

V-MAG: And you're real good at it?

CASSITTY: No, I'm *great* at it! I mean, look at these tits. I can get away with so much stuff with these tits that smaller girls can't. When I go to the frozen food section at a grocery store, guys have to wear protective glasses. My nips get so hard and stick out so far, you have to be careful around these puppies.

V-MAG: It's all fun until somebody loses an eye, eh?

CASSITTY: (Laughing) That's right! I've never taken an eye out yet, though.

V-MAG: What's the funniest thing that has ever happened with your boobs?

CASSITTY: I had one guy walk right into one of those glass doors. One guy had it open, and I saw another guy coming, pushing a cart, and he was just eye-balling my tits so much he didn't see the door and he ran right into it. The thing was, he was going pretty fast to get to me, so he hit that handle real hard right in his gut, and he keeled over into the cart. And when he hit the glass, the door slammed into the other guy and he went to the floor. It was hilarious. Like something you see in a movie. I walked over and said, "Boys, are you okay?" They just looked at me with these big, goofy smiles.

V-MAG: Big tits like yours do that to men, Cassitty. They drive guys crazy.

CASSITTY: Yes, they do, and all I've got to say is, "Thank God for that!"

V-MAG: You know, Cassitty, I was just looking at your shoot from *Voluptuous Xtra* #7. Do you remember that one?

CASSITTY: Sure I do. I loved that shoot. I really love the centerfold where I have cum all over my big 40DDs. I love cum on my tits. Yum.

V-MAG: Cassitty that thing where you stick both nipples in your mouth while you're riding cock, is it difficult to do?

CASSITTY: Actually it is. It's very difficult. You need to have some special skills like mine to do that.

V-MAG: Do you practice?

CASSITTY: Yes, some, but it's really something that just comes natural to a girl. Like sucking dick. You can teach somebody all the tricks and the things to do, but the girl who is great at it will

CHRISTIANE

Back in V-Mag...And Even Bustier!

Yeah, we didn't think that was possible, either! Christiane was super-stacked in her Aug. '03 debut, but what a difference a year has made! An F-cupper when we last jacked to her, this German nurse is now packin' G-cups...that's right...G-cups! Can you say "hard attack?" We already have!

A V-girl in boobs and body, Christiane definitely personifies the oft-used, but rarely accurate, phrase... "bra-stuffer." And when the harness comes off, that's when most jaws, and even some guys, hit the floor. "Guys sure do love them. They're always staring when I walk by, hitting their friends and saying, 'Look at those!' or 'Did you see her!' I've even had one man actually pass out from seeing my breasts," Christiane told us. "Honest to God, he saw them, his eyes got wide and then he just crumbled to the ground. It was unbelievable." That's probably what he thought, too.

"What is it about breasts that turns grown, responsible men into blubbering fools?" Christiane asked us, still a bit mystified by the male fascination. "I mean, they're just breasts. Every woman on Earth has them." But, Christiane, not everybody's are like yours. "True, but have you ever seen a big-boob lover when he sees my tits?" You're talking to boob-lovers, honey. Let's see...eyes wide open, drool comes out of the sides of the mouth, breathing quickens to the point of hyperventilation, cock hardens... "Yeah, so you know what I'm talking about! It's amazing, isn't it?" Actually, Christiane, it's a way of life for us. "Really? You see, I just don't understand. I know men love my breasts. I love them for the attention they bring me, but are they *that* important?" Oh yeah, and then some. "I guess that makes me special then, doesn't it?" Don't ya just love this lady? Bodied up and totally unpretentious. Yes, Christiane, you're special. Thanks for sharing with us.

be the one with the...natural ability. The tit-sucking hands-free is just something I'm good at and now it's kind of become my trademark.

V-MAG: You're proud of that?

CASSITTY: Yes, I am.

V-MAG: Very few women can do it.

CASSITTY: It takes a lot of skill with regular tits. With big tits, it's completely different. You have to be really skilled.

V-MAG: Cassitty, have you always had big breasts?

CASSITTY: Yes. It started when I was 10. I was bigger than a lot of girls. I was as

big as some grown women.

V-MAG: Cassitty, you were here like six months ago, and, I swear, it looks like you have gotten even bustier? Did your boobs get bigger?

CASSITTY: Somebody just asked me that yesterday. I think so. I want them to get way bigger, though. Grow, dammit!

V-MAG: Would you ever get a boob-job?

CASSITTY: Of course not. Natural is in. I'd have to be crazy to do that.

V-MAG: You said you were 10 years old and you had big boobs. When you went to junior high school, when you were around 12 or 13 years old, how big were your breasts?

CASSITTY: Maybe a C-cup. But most girls that age are not that big. Most of

them are only B-cups, maybe.

V-MAG: When did you really begin to get super-sized up top?

CASSITTY: When I was 16. I was D-cup.

V-MAG: Were you happy about that?

CASSITTY: Oh, of course. I had all the football players. Everybody loved me. They just wanted to see my tits. But I really wanted them to keep on growing, and they did.

V-MAG: And the girls hated you?

CASSITTY: Not all of them, but some did. It's the same as it is now. Some people don't care; others will be jealous. There's nothing you can do but smile and be happy with yourself. People are what they are. I think if you start expecting people to act a certain way, you will always be disappointed. So I just take people at face value, and if they're jealous of my tits and act all bitchy, it's their loss. It's been like that for everybody in my family, so we have a lot of experience at smiling in the face of jealousy. You know, my mother is skinnier than me and her boobs are way bigger than mine.

V-MAG: What about other people in your family?

CASSITTY: They're all big with big boobs. It's just me, my sister and my mother who are little with big boobs.

V-MAG: Jeez, Cassitty, I have to measure you because I keep looking at your tits thinking you have to be bigger. A lot bigger than before. Let me get a tape measure out...Holy shit! Forty-four inches! You've grown four inches in less than a year! How is that possible?

CASSITTY: Beats me. I just hope it keeps on going. My auntie always told me all my food goes to my tits, so I guess I've been eating good.

V-MAG: Amazing. How did teachers react to you in high school, particularly those male teachers?

CASSITTY: They were actually cool. I think the male teachers helped me pass.

V-MAG: They had to be going to the bathroom after every class to jack off!

CASSITTY: Of course! I think they really ran to jack off when my mother came and picked me up from school.

V-MAG: How big is your mother?

CASSITTY: She is like, whew...twice as busty as me, and she's so little everywhere else.

V-MAG: Will she pose?

CASSITTY: No. I asked her if she wanted to, but she says she's too old. She says

THALIA

Here cums a new *Busty Island Girl!*

Welcome to the Dominican Republic, a small nation comprising 3/4 of the island of Hispaniola (Haiti has the rest), with lush landscape, great beaches and a good vacation value for Americans (16 Pesos per greenback). Most of ya'll only know of the D.R. as the place where your cigars come from. Well, now we have another reason to appreciate the Dominican Republic. Breasts. Big ones, and lots of them! This is Thalia, she has more to do with your cigars than you can imagine, and this exotic beauty is just one of many busty babes *V-Mag* found when we went island hopping.

Only 19 years young, when we say Thalia is just an ordinary girl with an extraordinary body, that ain't filler copy. She's a student at Autonomous University in Santa Domingo and, for those of you wondering who makes those big, brown dicks you smoke during poker night, that would be Thalia. She's a cigar roller. The one who rolls the tobacco in the wrapper. Thalia has been making stogies since she was 12 years old and still does. Now, if that won't make you choose a Dominican smoke over a Cuban, we don't know what will.

Are all girls in the Dominican Republic bodied up like Thalia? Nah. We just got lucky. When we made the short trip from our home base in Miami, we were just hoping for one or two decent girls. When we saw Thalia and her four busty, exotic friends, we were stunned. Exotic and pretty with big, natural floppers. True, they don't speak much English, but that was no problem. We just showed Thalia copies of *V-Mag*, and she was assuming all kinds of positions. On video, too. That flick is titled—have ya figured it out yet?—*Busty Island Girls*. And, if you love fresh boobs—big 'uns—that you won't see anywhere else, turn to the Video Club on page 98 and break out your suntan lotion. Thalia and her *Busty Island Girl* friends are waiting.

NIKKI PEREZ

She's Busty! She's Horny! She Loves Posing! She's A V-Girl!

Here at *V-Mag*, we're always searching for the bustiest *Voluptuous* babes—newspaper ads, web searching, cruising supermarkets and praying on our hands and knees. But sometimes—usually, the best of times—we don't find *them*. The girls find us. Such is the story of Nikki Perez, who came by *V-Mag* Central, not once, but twice. The manager of a local business, Nikki had seen the magazine at a friend's house, noticed the address and figured she'd take a shot. We loved what we saw, and Nikki debuted in the Oct. '03 issue and even did a XXX video (*XL Xtra* #3). That was a year ago, and now, a year later and almost to the day, Nikki came by again. There was only one problem: we didn't have the time to shoot her. "I'll wait," said Nikki. And she did, for six hours. When most people were heading home for dinner and a night of reality TV, Nikki was making our fantasies come true yet again.

The type of lady you see every day in business clothes, Nikki is living proof that most women, regardless of how conservative they are, have a wild side just dying to cum out. "Myself, I fantasize about being completely dominated by a man. Being totally helpless." The boss by day, bossed at night. "You know, I don't even masturbate that much. I'm not a slut. Most people probably think I'm boring. But sexually, I am...I'm wild." And *Voluptuous*, too, which is the best of both worlds.

CASSITTY INTERVIEW

Continued from page 50

posing nude is a young girl's game.

V-MAG: Fuck that.

CASSITTY: That's what I told her, but my mother is real stubborn. When she makes up her mind, that's it. There's no changing. You have to respect that.

V-MAG: How big is your sister?

CASSITTY: She's a double D.

V-MAG: So if we had the three of you in one room, it would be just like the most amazing thing.

CASSITTY: Titties galore. My mother is very beautiful, too. She's a lot prettier than me. A lot prettier.

V-MAG: We think you're damned hot and, jeez, we just love your tits, especially now that they've gotten bigger. I mean, they're huge. Your boobs must fall out of your clothes all the time.

CASSITTY: Sure. I remember one time, this guy knocked on my door. I was asleep. And I answered the door and my nipple was out. I didn't even feel it. I didn't even know. He was just like, "Umm, umm, umm, Miss," and I was just like, "Okay."

V-MAG: Where do you live?

CASSITTY: I live in sunny California.

V-MAG: Do you go to the beach?

CASSITTY: Yeah, I do. When I go to the beach, I wear my two-piece bikini with Rollerblades. I'm on the strip skating, everybody's on the boardwalk looking at me and the next thing you know, everybody is rollerblading with me.

V-MAG: There's a big surprise?

CASSITTY: I know. And they all try to make small-talk and everything, like they're just hanging around me because, I don't know, the sun is better where I am as opposed to where they were. You know what? I love it. I love the attention. You know how some girls are shoe-whores or clothes-whores? I'm an attention-whore! I just can't get enough. The more the merrier.

V-MAG: Back to your school days. I want to say, "let's focus on..." But that's friggin' impossible with your tits in my face. But let me try to anyway. Did you play sports in school?

CASSITTY: I ran track. And I played basketball. Yes, I know, everyone asks me how I ran track. When I work out now, I wear two bras and four sports bras. And it still doesn't support them.

V-MAG: When you were running track

and playing basketball in high school, what was going on?

CASSITTY: I was wearing sports bras. They weren't this big, but they were still pretty damned big.

V-MAG: Were you any good?

CASSITTY: Of course. I ran the 100 meters and the 4x100 relay.

V-MAG: Did a lot of men show up to watch you race?

CASSITTY: But, of course.

V-MAG: What about now? What kind of bras do you wear?

CASSITTY: I wear small bras so that my tits can spill out over the top.

V-MAG: A cup size, please?

CASSITTY: Double E. I get them made special for me.

V-MAG: A custom job. You can't go to the store and find them?

CASSITTY: Oh, no. I'm not really very big around the rib cage, so it's tough. The thing is, when I try to go buy matching bras and panties, I can fit the panties, but the bra doesn't fit at all. It doesn't even come close.

V-MAG: Cassitty, do you always wear a bra when you go out?

CASSITTY: I could name on one hand how many bras I have. Five. When I work out I wear bras. But when I go out, I wear clothes that have the little cup support on the inside of them to give my tits support because I honestly don't like wearing bras. They're too restrictive. I like to hang free. Think of me like you would a guy who doesn't like to wear any underwear. He likes to hang free. That's how I am.

V-MAG: When you go out, Cassitty, what are you driving?

CASSITTY: I drive a big truck. Big truck, big tits. I can't drive little cars.

V-MAG: What if you're driving a car and a big trucker looks down?

CASSITTY: Oh, I flash him. I just love flashing the truckers. And they love it. This one time, I flashed a trucker one of my tits and he was salivating on the window. Then, I put it back in and pulled up my dress to show him some pussy, and he waved me off and made a motion for more tit! I thought that

"Sucking on my tits is my trademark. I love my nipples sucked on during sex. Soft, though, until I'm ready to cum, then give it to me real hard!"

was hilarious. I had to get away from him, though, because he was staring at my tits so much I thought he would kill somebody.

V-MAG: How many bra hooks have you snapped in your life?

CASSITTY: A lot. A whole lot. I used to wear bras. Now, I like to dress sexy. When I was in the airport coming here, you should have seen the women and the men, because of what I had on—a bikini top with some beige pants and a beige coat to go with it. The reason I had that on is because I can't zip the coat up because my tits are too big so the coat unzipped.

V-MAG: You have no trouble getting through security, do you?

CASSITTY: Oh, no. I go to the front of the line in clubs and everything.

V-MAG: How big a part do your boobs play when you're having sex?

CASSITTY: A very big part. Guys love to see them bounce, especially when I'm on the bottom. I like holding them and making them move everywhere. Guys go wild when they see that.

V-MAG: How about for you?

CASSITTY: I like my nipples sucked. That's what I like.

V-MAG: Hard or soft?

CASSITTY: Soft. Which I know surprises a lot of people. But, you see, everybody thinks that because I'm a big girl, I like big, hard cocks and hard, rough things. But the truth is, I'm very gentle, and I like to be treated that way. I like my nipples sucked soft and my pussy played with gently. And I don't like pounding. I like it soft.

V-MAG: So you like your sex slow?

CASSITTY: Yes. Just because I'm a big girl doesn't mean I can handle all that. It doesn't mean I want to have a wrestling match or something. I know that's the stereotype of big, busty women, and it may be for some, but not for me.

V-MAG: How do you like to have your pussy eaten?

CASSITTY: Softly. I don't like guys to dig in like they're in a rib-eating contest or something. I like it licked gently, rubbed softly. If you're going to put a finger in there, don't try to ram your entire fist up me. Take one finger and work inside my lips, then go to my love-tunnel and tease me. Rim me, softly, then go in slow and easy—a little at first until you can get your entire finger inside. You'd like it in there, too. It's so soft and wet and sexy. When I get real wet, you can slide two in real tight and kind of move them around in a circle to get every part of my love-tunnel. I like that.

V-MAG: Cassitty, you're a romantic, aren't you?

CASSITTY: Yes, I have to admit that I am, though I'm not a "hopeless" romantic. I believe everybody has hope. Sex, though, has nothing to do with romance. I think they are two totally different things. I mean, in romance, yeah, I love to fall hard in love. Sexually, I don't want to be fucked hard. I like it soft. You can give it to me rough when I'm drunk—give it

RUSTY EURO-MAIDS

The Dream-Team!

Talk about some great tits! From the new SCORE Group video *Busty Euro Maids*, here cums one of the best all-natural line-ups ever assembled in some eight-titted, four tongued girl-girl-girl-girl sex. For those of you who have jacked to the *Maids* plenty in 2004, stop reading and start stroking. For those of you who have been out of the *Voluptuous* loop in 2004...we have: from the only brunette on the whole flick, young Iva (opposite page, bottom left); above her and in a clockwise motion, there's March '04 "Future Superstar" Veronika; 2003 *V-Mag* Newcomer of the Year runner-up Ines Cudna; and a plumper, bustier and much hornier Marketa.

Sandwiched between all of the raunchy, XXX-Rated, hardcore things guys love seeing when they're home alone with nothing but their television, boring softcore, little-titted cable flicks and a roll of tissue paper to keep them company, this four-way on *Busty Euro Maids* is memorable in itself.

But it's extra, super-duper special for one reason...Ines Cudna. The young and gorgeous, Polish super-babe doesn't do many video scenes, so to see her playing with her busty teammates and a dildo...This is her hottest scene to date. Now, if you don't like Ines, there's that double-donger with Iva and Veronika or even Marketa...Check that. If you don't like Ines, Cudna you should be reading *Playgirl*. If you're a guy, enjoy...the pics and the video!

to me like you're in a fucking contest and he who fucks the hardest wins! When I'm drunk, you can just pound it all night long.

V-MAG: Do guys just assume you like it hard because of your body?

CASSITTY: Of course. They just want to bite my nipples, and I'm like, wait a minute. Treat me like you treat your balls. Do you want your balls bitten?

CASSITTY: What's the first thing a guy wants to do with you?

CASSITTY: Oh, tit fuck me, of course. I've had guys say, "I like your face." Yeah, right. It's these that they like. And, I don't care, either. In fact, if a guy didn't like my tits, I'd think there was something wrong with him, like he was queer or something.

V-MAG: Cassitty, don't you know guys just want to fuck your big ass!

CASSITTY: Hey, I don't have a big ass.

V-MAG: Kidding, I was just kidding. But, while we're on the subject of your beautiful, perfectly proportioned ass, what is it about guys and their obsession with ass fucking?

CASSITTY: I have no idea, but you're right, guys love fucking a girl's backside. I mean, they do everything first. They fuck your tits, they eat your pussy, they fuck you, you give them head, and when everything is over, you always get that one question... "Umm, do you think, just one time, I could, you know, fuck your ass?" It's like they're asking permission to go on a weekend trip to Vegas with the boys... "Honey, I love you so much and I'm going to miss you, but..." It's so funny. Guys, I'll let all of you in on another girl-secret... Stop being pussies. You have dicks and balls. Act like it. Don't be asking permission to go off with your buddies. Just do it, and tell us when you get there. If you want to fuck a girl's ass, tease her a bit by lubing it up with her pussy juice. If she moans in passion from a finger teasing her asshole, put her doggie style and rim her asshole with the head of your dick. If she pushes back, that's a green light. Go ahead and fuck her. But, don't be going and having a discussion with her about it, like you're at a restaurant trying to decide what you want to order. Girls don't

like that. We want guys who take charge. That's why, if you want her ass, don't ask, just do it. But do it slow just in case it's in her "no-no" file. Every girl has a "no-no" file, and you have to respect that.

V-MAG: Okay, Cassitty. Thanks for the pearl. Where do you want to eat lunch, today?

CASSITTY: Now you're being silly. I'm not saying be one of those macho guys, but just be strong. I think, in the last decade and much of this one, men have become too soft.

V-MAG: This from the woman who likes her sex soft and gentle.

CASSITTY: Hey, it takes a "real" man to please a woman, and more importantly to find out what pleases her. I'm not saying every woman is like me, but I'm saying to be a good lover you have to find out what your woman wants. And not by asking, but by trying different things and listening to her body. If she wants it rough, give it to her rough. Me, like I said, I like everything gentle.

V-MAG: So gently sucking on your tits, gently eating your pussy, gently slapping your ass. You're a gentle girl.

CASSITTY: Until I'm about ready to cum. Then you can fuck me hard.

V-MAG: When a guy cums, where do you like him to cum?

CASSITTY: On my ass or on my tits.

V-MAG: Not on your face.

CASSITTY: No. My tits or my ass. I really like it on my ass. Just squirt it all on my ass. It feels good running down.

V-MAG: How about anal, have you ever done anal?

CASSITTY: I've done anal with toys.

V-MAG: That's it?

CASSITTY: I haven't had the real thing, at least not yet.

V-MAG: Do you want it?

CASSITTY: Maybe one day, maybe.

V-MAG: You're in no rush.

CASSITTY: No. Anal is a big step. It's not a "no-no." It's more of a "maybe."

V-MAG: We have to say "adios" for now. Cassitty, thank you so much for being with us.

"Cum on my tits and my ass...Squirt it...It feels good running down!"

CASSITTY: Thanks for having me. You know, I can stay some more if you want me to.

V-MAG: Love to, Cassitty, but I've been staring at your tits for so long, I just have to go watch *Black & Stacked Xtra #3* to see them in action!

CASSITTY: Go for it! But, can I ask a favor, if you don't mind?

V-MAG: Anything, Cassitty, anything!

CASSITTY: You said I could watch it with you. Can I? No hanky-panky. I just love watching myself fuck on video. It's great, don't you think?

V-MAG: I couldn't agree with you more. Let's go to the movies.

CASSITTY: Do you have the popcorn?

V-MAG: Cassitty, this ain't *Shakespeare in Love*. All I really need is a cum-rag!

CASSITTY: I'm pretty hot in this video, so you may need two! You may not be able to handle it!

V-MAG: Okay, I might need two.

CASSITTY: (Laughing) Or three!

V-MAG: Is this a great job or what? ①

models may be well compensated for their work, it is not enough to erase the stigma that will always be there for them from a conservative society.

So, guys, enjoy Nicole Peters for the beautiful, incredibly *Voluptuous* young lady that she is and forget about the dildos or the high, hard one. The addition of any of these things will not make any model more or less physically appealing than she is. It will only change your fantasy, which you can do on your own.

Use your imagination. There are plenty of models who are willing to give us views of themselves in X-through XXX-rated action, which is great if that is their choice. But let's not fault the ones who don't and/or won't. -J.H.H., North Carolina

CONSERVATIVE KINK?

Dear *Voluptuous*,

Finally, Kerry Marie gets the respect she deserves. It should have happened the last several years, but, oh well, finally.

Loved the photo layout of Kerry, as usual, as well as the Otis Sweat artwork of Kerry and the fiction story to go along with it. Now, that's a story I can definitely relate to. Whoever came up with the story idea deserves a big-time raise.

You at the SCORE Group do an excellent job—superior magazines with exquisitely beautiful models. Don't change a thing!

That said, if you wanted to "mix it up" a bit with some more kinky photo layouts, I wouldn't have a problem with that. Like Desirae dressed in leather with lots of kinky chains or even some bondage type stuff, etc.

However, I wouldn't like to see you go to the degree of kink of, say, showing candle wax dripping, piercing, degradation of models, urination, smoking or any other of those more "out there" acts that you see in the hardcore fetish magazines. Who gets off on that kind of stuff? Leave that for some other fetish magazine.

Once again, keep up the great work. I love the magazines. You have great standards. I subscribe to *Voluptuous*, *SCORE* and *Naughty Neighbors* and

GET THOSE SHOES OFF!

Dear *Voluptuous*,

Hey, V-Men! Great job on the June '04 *Voluptuous*. I especially liked the double ass shots of Kellie Garnett on page 23; that was pure genius. We need more great ass shots like that.

In both shots, I noticed a bit of her heel was showing and that got my heart racing. I think those shots would have been classics if we had gotten to see the soles of her feet.

I think more models should be shot with their shoes off so we can see their pretty toes and especially their soles. I know, I know, I have a thing for soles and women's feet in general. I probably should subscribe to *Leg Sex*, but the girls in *Leg Sex* are not the *Voluptuous* ladies I like.

In short, please encourage more models to shoot without shoes. After all, how many of us guys date girls who wear three-inch heels to bed?

Furthermore, the soles of a woman are the window to her soul. A lot of people will tell you it's a woman's eyes, but you can tell a lot from a woman's soles. I especially dig the soles of black lady's feet, like Sierra. The difference in color is so sexy.

Finally, I think you should publish my letter so we can see if more V-Men feel this way. I just think that a woman's feet are something we see everyday, unlike a woman's breasts. Think about it. Have you ever caught yourself looking at a pretty girl's toes through her open toed shoes? Later, you can look at *V-Mag* and fantasize about your sexperience. C'mon guys, more toes and soles! Keep the women coming!—A.Z., Texas

**TAYLOR
STEVENS**

Plumper? How 'Bout *Super-Plumper!*

Yep, Taylor Stevens is a big one; that's for damned sure. One-hundred-and-eighty-three pounds of loving from the great white north. That's right, she's a Canadian, eh, and proud of it. Plus, you know how some big women are all shy and stuff? Not Taylor. Not only does she have boobs for you and all of your friends, the girl has personality...and then some.

Who and what is this super-plumper all about? Take it away, Taylor... "I love to be dominated. I'm so submissive. I love a guy to pull my hair and totally take control of me. I also love two guys at one time. The more the merrier!" Any particular pack of guys, Taylor? "I'm Canadian, I love hockey and I'm from Toronto. That's easy. The Leafs! If they have great calves, that's better. I love strong calves and a squeezable butt." Anything else, Taylor? "I love girls, too. My best friend and I fool around all the time. I love eating her pussy."

*"I love to be dominated. I'm so
submissive. I love a guy to pull my
hair and totally take me. I also
love two guys at one time.
The more the merrier!"*

Not the bashful type, as we can all see, Taylor is a sexual beast, whether she's alone or in a crowd. "I masturbate all the time. I just grab my toy, set it on high and...*vroom*...away I go! Pretty standard stuff, eh. But, if you want kinky, let me see... This one time in Mexico, I was at a 'Foam Party.' The foam falls from the ceiling and goes up to your neck. So, me and my girlfriend started going at it in the foam, and I grabbed the first couple of guys within reach to join us. I can be pretty wild and crazy, believe you me!" Oh, we do, Taylor. And we couldn't be happier. Welcome to V-Mag!

BOZENA

The Next Great Czech Natural!

The last babe in the book, and she's a good one! Or, is that a great one? You guys tell us. We'll tell you that there's something going on over there in Eastern Europe. The water. The air. The earth. Whoever knows what it is, spread the wealth to the rest of the world, why don't you. That way we can get more incredible racks like this, and babes like...Bozena.

Yeah, it's a funky name, "Bozena." Word has it Bozena means...Girl with huge tits! It's a family name, this 20 year old tells us, and when Bozena sheepishly informs your crusty, boob-crazed *V-Mag* editors that she's the smallest busted of her five sisters, it's workman's comp time because our jaws just about broke on the floor. A factory worker/student/waitress who works two jobs to pay for school and help support her family, we had no idea the *Voluptuous* Scholarship Fund was so well known in Eastern Europe. But, when Bozena sent us an e-mail with pictures, we couldn't help ourselves. After all, a mind and a great rack are two terrible things to waste.

Anybody else notice that a lot of the girls in this Sept. '04 issue were actually born in the month of September, roughly around 1980-1983? Go figure. The Big '80s were a great time for all-natural whoppers, and, even now, the tits from that generation just keep on coming. And, speaking of generations, Bozena, is there any chance a couple (or all) of your sisters will follow your lead? "I don't think so. I'm the youngest, and I've always been very precocious," confesses this international relations student, who is doing a damned good job so far. "They're all married, so I doubt they would pose. But you never know." Ain't that the truth.

Before we selected the girls for this issue, we never knew Bozena existed. Now, thanks to next-day delivery and some damned fast film processing, plus the phrase... "Hold the presses!"...here she is. And we'll see you next month with more great ones. As good as Bozena? In her words, "You never know."

MANDI HART

V-Mag's Construction Worker-Next-Door In Her Hardcore Debut!

It's that time of the month, V-men. The asses are round, the boobs are bountiful and the cum is gonna fly. You ready for some fucking? Here cums the XXX debut of...Mandi Hart! Based on all of the accolades Mandi received after her April '04 V-Mag debut, Mandi really doesn't need an introduction. If you're one of those guys who came all over the place five months ago, stop your reading and start your jacking. If you're new to the *Voluptuous* universe, here's the skinny on this plumper. She's an Oklahoma construction worker. Yes, one of those ladies who wears a hard hat, drives big dump trucks and punches a time-clock. She's the type of real-life lady whom you see every day in any supermarket, and you've probably fantasized what she would be like if only...you got lucky. No need to fantasize any more. This month you've gotten very, *very* lucky!

So, how did we "convince" this lady-next-door to fuck on film? We didn't. It was Mandi who did the asking. "I've always wanted to do this. Whenever I read the magazine, I go straight to the *Xtra* section. I just like watching people have sex. And I've always fantasized what it would be like for me to do it. Would I be nervous? Would I be any good? Would I just lose all control and fuck like a wild animal? I needed to find out." So, Mandi, which one was it? "The last one. I mean, I'm pretty wild and crazy to begin with. I'm the girl who will moon the new guy on the job. But, when the director said 'action,' something happened to me, and I just became a total sexual beast. There's something about that camera that brings out the animal in me. Plus, I'll let you in on a secret... This guy was a great fuck. His dick was real big and real hard and, even though I kept telling myself that this was supposed to be work, I knew I was going to enjoy this a lot!"

Previous *Voluptuous* Appearance:
April '04

Being a real-world kinda gal, Mandi, we were just wondering about all of your fellow construction workers seeing you fuck. How do you think they'll react? "Fuck, those guys are gonna love it! My first appearance (April '04 *V-Mag*), I showed them the mag and they were hootin' and hollerin'. I even went to this store I know and bought every copy to pass out. They were all grabbing their crotches and asking for my autograph. I kept saying, 'Guys, it's me! Mandi! You eat lunch with me every day, and now you want my autograph?' When they see this, they're gonna go nuts. Hell, maybe they'll buy me lunch!" What do you think they'll do, Mandi, when they see your hardcore video? "Oh man, they'll go ape shit over that! You'll probably have a hard time keeping enough of that video in stock." They ain't alone. Watch for Mandi's XXX debut video in a few months.

SAMANTHA

Our Plumper of the Year In The Fuck Of Her Life!

Guy's got a stiff one, eh? Just the way Samantha loves 'em! She's a big gal, and she needs a stiff cock to get her juices going. "None of those guys who are half limp and you have to keep stroking them to get them hard. I want a dick that is so hard it could dent cars!" Jeez, give her an award and she gets all demanding and stuff. Okay, okay. You want a stiffie, Sam, you got it!

10 Voluptuous XTRA

The funny thing is, with most women getting cock specific and all, we would start to get worried. With our reigning Plumper of the Year, we know she's just horny. "Jeez, I've done enough videos by now, you know I'm not a prima donna or anything. I'm just horny. You know how it is. A girl gets in the mood to get fucked, she wants to get fucked good! Nothing does it better than a real hard dick. I don't mean big. I'm talking...*hard!* That's what turns me on the most. Something so friggin' hard that when I put it down my throat, it feels like I'm sucking on a steel pipe." You want steel, Sam? "Want's got nothing to do with it. I need it!" No problem. V-men, let's show her what we're made of!
